

COMMITTEE ON BOARDS AND COMMITTEES

OFFICIAL REPORT

The Committee on Boards & Committees, in accordance with the charge given to us by the Baptist General Association of Virginia, has spent the last several months working in partnership with local pastors, lay leaders, associations, and BGAV staff to provide leadership that represents the diversity of gifts and experience that is necessary for the ongoing Kingdom work to which Virginia Baptists are committed. As we have talked with so many people all around our state this year, we have been reminded of how rich the ministry of the BGAV is and how blessed we are with the Spirit-given gift of cooperation. We would like to thank all of those who brought recommendations to our committee for consideration. We could not accomplish our task without your invaluable guidance and input. We would also like to thank the BGAV staff for their commitment to ministry and missions and for always standing ready to support our work as a committee. We are deeply grateful for each individual who has agreed to serve on a committee or board representing the BGAV. As you read over the slate of nominees, please take a moment to offer a prayer of thanksgiving for their willingness to serve and a petition for our Lord's wisdom and grace to guide them in their tasks.

The Committee on Boards & Committees presents this slate of nominees to the gathered assembly of the Baptist General Association of Virginia and moves the acceptance of these nominations.
